ETEA Terms and Conditions	
 Enrolment All places are subject to availability. Education Training & Employment Australia Pty Ltd (ETEA) may request for additional information to be supplied and/or for an interview to take place as part of the enrolment process. If a student fails to declare their highest level of qualification and receives government funding to support training and they are later discovered to have been ineligible for assistance, that student may be required to repay those monies. ETEA will not require a deposit of more than \$1000. ETEA will not require payment of additional fees of more than \$1500 at any one time. 	 Fees & Charges Prior to a student enrolling fee may be altered without notice. Once a student has completed enrolment, fees will not be subject to change for the normal duration of the course. Fee for service students may be charged \$300 for re-assessment per unit if applicable. If the student does not complete the course within the prescribed time of his/her timetable, he/she will be required to re-enrol and pay all fees associated with the course. This includes enrolment fees and tuition fees as applicable. Failure to settle all fees payable by the due date may result in the student losing their place in that course. For refund purposes, this will be treated as Formal Cancellation being received on or less than 28 days from the scheduled start date for that course. Students are entitled, at no additional cost, to a formal Statement of Attainment on withdrawal, cancellation related to the units of completing the qualification, provided the student has paid in full for the tuition related to the units of completing the shown on the Statement of Attainment.

Practical Training Placements A student as part of a course may be required to complete practical training at a facility outside of ETEA. If a student is so required the student must sign a Tri partisan Practical Training Agreement between ETEA, student and the "Host Employer". The student further agrees to allow the "host Employer" to make the administrative arrangements in respect to the payment and the refund. If the student fails, or refuses, to sign a Practical Placement Agreement, then, ETEA shall not be liable for any loss, damage, expense or injury that arises out of, or in connection with, the practical training of the student at the facility. The purpose of signing such an Agreement is so the student obtains the benefit provided by section 5.4.16 of the Education & training Reform Act 2006.
